

**SOLANO**  
high-end performance

## SPRING/SUMMER 2022

For the comfort and convenience of those who need to wear corrective glasses we created Solano CLIP-ON – a special series of frames that can be converted into sunglasses with a single hand motion. You can have a single pair of glasses and accessorise them with additional sun protection clip-ons with various shapes and colours, playing with fashion and mixing up your look every day.

**Solano high-end performance.**
